

Collegiate School of Memphis Parent Support Committees

Teacher Appreciation Committee

This committee hosts several events each year to honor faculty and make them feel special. The committee will organize special days and encouraging gifts for each teacher. Whether it is donuts & coffee in the lounge, a card for teachers on their birthdays, cookies for a monthly faculty meeting, notes of encouragement left at the front desk, or sending sympathy and get well cards when needed, this committee looks for ways to encourage and thank our wonderful teachers.

Service Project Committee

This committee is responsible for organizing two service projects per academic year for families of *Collegiate*. One event is held on-campus and is geared toward campus beautification, and one event is held off-campus to benefit another organization. This is an opportunity to give to the school but also a way to help others. A *Collegiate* project might be to plant bushes on campus or to beautify our courtyard area, whereas a community project may be to provide a cookout for a ministry.
